

XML upload

Step 1

Upload your XML file here

The screenshot shows a web form for uploading XML. It includes the following fields and elements:

- * 1) Import Pre-SIEF description in XML format:** A text input field with a "Przełączaj..." button.
- * 2) UUID number:** A text input field.
- * 3) Reference number:** A text input field.
- Do you want to send an invitation to participants in the preSIEF?** A checkbox that is checked.
- Join your SIEF** button.
- Need any help? service@sief-it.com** link.

Callouts from external boxes point to the XML description field, the UUID and Reference number fields, and the invitation checkbox.

Enter your UUID and Reference number

You can invite other pre-SIEF members to your SIEF

Step 2

Click the **XML activation link** that was sent to your email address given in REACH-IT. If your SIEF-IT and REACH-IT registration e-mail address is the same – your XML has been already activated.

Your XML upload is completed, you can now order your SIEF access.
